

## Student Handbook Addendum Pastor / Intern Track for the 2011-2015 term

**NOTE:** We have two types of courses in our program. They are known as a 10 hour (formerly weekend intensives) course and a 20 hour (formerly weekly courses) course. Both 10 hour and 20 hour courses will be held on weekends and weekdays depending on instructor availability. Please consult your VLI calendar for schedules prior to the start of the quarter. Please check the quarterly syllabus as to the dates.

### Leadership Projects for Pastors

We ask Pastors to complete 4 leadership projects. Because the pastor track is 4 years instead of 2 years we ask that the pastors do 1 leadership project a year. Please note that you can follow the standard student track deadlines if you choose to do that. These can be written about an area that falls within your current pastoral duties.

### Service for Pastors

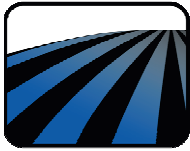

Since you are a full time pastor already involved in ministry, you will not need to fulfill any additional service requirements. But you will need to go online to Digitalvli and check the box on the service form that says you are full time church staff.

### Mentoring for Pastors

The mentoring portion of VLI is not required.

### Spiritual Formation for Pastors

We are asking pastors to participate in our Spiritual Formation plan. This means that each pastor will choose a spiritual formation partner and meet with them following the guidelines found in the VLI Student Handbook.

## FOR INTERNS

Students on the intern track are either accomplishing all the course material in 3 or 4 years. Even though you have more years to complete objectives, you will still follow the standard track when it comes to mentoring and service.

### Leadership Projects for Interns

Interns are required to complete (4) Leadership projects during their time in VLI. Please follow the standard guidelines found in the VLI Leadership Project Handbook.

### Service for Interns

All interns are required to still do the 15 hours of service a quarter.

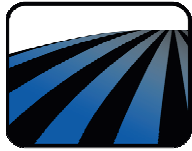

### Mentoring for Interns

Interns are required to complete (6) quarters of mentoring with their pastor. (3) quarters include preaching/teaching, evangelism and pastoral care. The other (3) quarters are fulfilled by your church internship. Please have your mentors fill out your mentor evaluations on your performance at the end of each quarter.

### Spiritual Formation for Pastors

Interns are to participate in our Spiritual Formation plan as outlined in the VLI Student Handbook.
